

Teradata Virtual User Groups - Now Available LIVE for your Region

The Customer Success team proudly presents Virtual User Groups across regions **LIVE!!**

The Customer Success team at Teradata invites you to connect with Teradata on various topics each month by joining our new User Groups. You can view the details in a workspace in **Teradata University Workspace**, that is available now.

Each session is led by a Teradata subject matter expert and focuses on education tailored to specific personas and user groups. The User Group Forum engages, inspires and empowers you to learn from a not only the presenter but from one another as well. All sessions provide key technical take-aways through demonstration.

The Virtual User Groups schedule is published in the **Teradata University Workspace** and updated regularly. Login for updates, to join a session or to view videos of previous sessions.
