

Teradata Certification October 2021 Newsletter

We hope everyone is staying healthy and safe and thank you for your continuous support of the Teradata Certification program! We have some exciting updates for you!

WEB-BASED TRAINING FOR VANTAGE ANALYTICS EXAM!

Interested in upskilling your analytics capabilities? Get trained in Vantage Analytics! We are excited to share that Teradata now offers FREE web based online training in Vantage Analytics. The training curriculum is broken into multiple modules, focused on the topics most important to you! And, since the training was created to support the Vantage Analytics exam, when you are ready, earn your [Vantage Analytics](#) Certification!

The links to the training and sample questions are available under the “EXAM PREP” section for the [Vantage Analytics](#) exam:

A screenshot of the Teradata Certification website's 'EXAM PREP' section. The page has a light gray background with a faint grid pattern. At the top, there are three tabs: 'EXAM DETAILS', 'EXAM OBJECTIVES', and 'EXAM PREP', with 'EXAM PREP' being the active tab. Below the tabs, there are four main sections: 'PREPARING FOR YOUR EXAM', 'SOFTWARE DOWNLOADS', 'TERADATA EMPLOYEES ONLY', and 'SAMPLE QUESTIONS'. The 'PREPARING FOR YOUR EXAM' section is circled in blue. It contains the text: 'The NEW FREE web-based Analytics Training available [HERE!](#)'. The 'SOFTWARE DOWNLOADS' section says: 'Available through [Teradata Developers Exchange](#) to help you prepare with hands on application.' The 'TERADATA EMPLOYEES ONLY' section says: 'Visit the [Teradata internal Teradata Certification SharePoint site](#) for more information on recommended Teradata training. You must be logged in to the Teradata network.' The 'SAMPLE QUESTIONS' section says: 'The Teradata Certification team has created sample questions to help you prepare for the exam. Access the Analytics Sample Questions [here](#).'

In addition, if you are interested in learning more on a specific topic that is on the Analytics exam, simply access the [Analytics exam objectives](#) and click right to the online training for that objective.

*Note that we also have a free web-based training – by exam objective - for the [Vantage Data Science exam](#) as well!

Teradata Certification is committed to supporting you whether you are an exam candidate or simply want to learn more on Vantage!
